Deputy Director for Training (Special)

1 October 1952

Chief, Maritime Training Branch

MTB Weekly Progress Report for the period
24 September - 1 October 1952

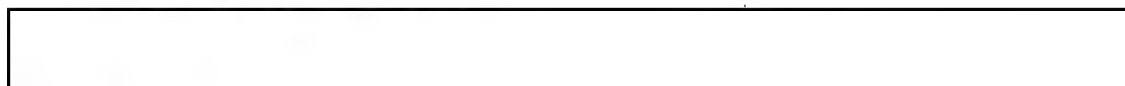

1. OLD PROJECTS:

a. Table of Organization was approved in part as submitted by the Deputy Director, Administration. Approval of remainder of personnel was withheld pending final approval of the project. At that time it is understood that approval for all personnel will be automatically granted by the DD/A. As a matter of record authorization for the civilian positions presently held in abeyance was effected by the Director of Central Intelligence in his action of 1 May 1952.

b. Still awaiting word from  as to survey of site.
